CH. PETA

It is observed that, some allottee entrepreneurs after obtaining Sale deeds, making sub-division of their plots/land without obtaining prior written approval of the Corporation as per the terms & conditions of allotment/Agreement for sale of the land and selling un-utilized portion of the land to the third parties and thereby approaching the Corporation for approval of sub-division of plots/land and mutation of the property in their favour. This matter was discussed in detail at the Zonal Managers Conference held on 30/08/2016.

Thus, all Zonal Managers are hereby instructed to inspect /examine the ground status of allotted land/plots and confirm the extent of land utilized by the original allottee and its present status (working/not-working) before submitting proposals to Head office for approval of sub-division of allotted plots/land along with the details of the industrial activity being proposed by the incoming party with documentary evidence.
