Circular.no.1/PROJ/TSIIC/2014

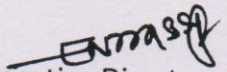

Dt:03/12/2014

Sub: TSIIC – Circulation of approved layouts – Regarding.

<<o0o>>

It is observed that Asset Management wing/Projects wing/Finance wing are not being communicated providing with the copies of revisions in layouts of Industrial Parks/SEZs which are being taken place at Zonal Office & Engineering department periodically which is causing a communication gap and confusion in informing vacant position to the prospective entrepreneurs and higher officials at Head office, to deal with various issues and not able to confirm which copy of layout is final on record of TSIIC.

In view of the above, circular instructions are hereby issued directing all the Zonal Managers to communicate copies of every layout as and when it is revised/approved afresh to have more clarity between Asset Management/Zonal Office/Engineering Wing / Finance Wing.
